

What Did They Say in Presidential/Vice-Presidential Debates?

Top 200 words (or less) used by candidates and moderators

Sep. 26, 2016

Hillary Clinton

looked right different being maybe
plans government money much important something never
returns down home deal very first actually then criminal
Iraq taken pay support law tax want its their middle worked
kinds part sure now one good people lot should new justice believe
these where had take ISIS had they not our more been say two
time young he's will you that with said other these together
made Foster American your but for any that know debt
broth called many ever who well the can make communities
top world fact after don't would talk and what have
fair years that's about gun need them how plan having
come only let's from even this got see states better
hope trade put there think are was because over you're
nations million jobs were going out I've him thing
they've paid country get business things working class long
incomes president nuclear police Iran proposed give
there's problems why information wealthy future trying
Obama everyone federal weapons everything

happened tremendous Iran order down taking
defend campaign than money against Sean Hannity then work
nuclear leaving into had your could taken there's
get agree now her doing should can taking work
countries come when country you're jobs before
deals how bring them are haven't what would things
business trillion ever deal been not very first were NATO
Hillary Clinton believe with back it's and the have
far more Secretary but the out they about did tell big
take just was going you she all has for from over
inner other this said the have thing fact
last got tax people that ISIS that's really give
law time they're our like bad ill know good ive who
able world many look because years their there mean
community war new don't say will one years don't saying
stop China wrong think companies let thousands
Chicago worst doesn't where she's President company
politicians which whether

Donald Trump

Oct. 4, 2016

Tim Kaine

two even social him leader where they're
ever tell police campaign went does because
fired need great put could thing get Elaine
you've both business Mike Pence Bin Laden Governor economy
fight states when new plan well let stopped here's
team record Vladimir Putin its with Donald Trump all that
work returns nuclear Trump that that's talk dangerous make
last top against now going said ill first not been second into you're
enforcement years state did about for the you will got this very like believe
right then would have and but can Russia jobs country families
nation saying united those had he's there has tax think won't
here they what Hillary Clinton this out troops live way better
intelligence from more Secretary taxes should her million things important
together things than security how running who alliances apologize
strong worked ago American keep we've safer after
paying focus Virginia whether

leadership right believe place
small but actually areas soldier troops understand
more you're reform put absolutely see force tragedy
life freedom business think America economy been why family
trillion used here from because there's great did wan
involved billion action state going what all want mean able over
raise tax Clinton debt will said Tim Kaine you Secretary has where need work administration every
safety back time we're law well its Clinton out never Syrian
title border those can that with have not President one
Iraq come first justice very they Donald his with American who thank
Syria police law Trump look this she for our people their there families
once meet foreign that's and the has was know her also pay there
reset ago then he's are your states taxes war about know way tell again
home now them we've Iran would security really day after strength
Barack Obama things other policy enforcement bring got daily for strength
Russian Obama care question implicit program move military Congress
Aleppo today failed saying

Mike Pence

Hillary Clinton

went only companies close apologized talking
percent mistake anyone says something affordable Senator
making even Americans tax women care policy money
support sure put don't one insurance never how yes anything
seen everybody make when very Donald going America done
million which first what lot all Trump people are this were over great kids
others lost well for you where are these back down election
much had been that the have his from into him you're
see heard that's out get about the the classified into them help big lets
Russia time just used would has our Muslims not think like try why
talk health would let want Russians President then system taxes
take also didn't way their because with its will some worked work doesn't saying
wants here campaign need said country President we've say many tonight
other proud again Supreme Court them important after Iraq ground
Republicans united vote question good point against really
Secretary working war together families costs

Senator ever companies campaign
proud lines something President nothing energy
talking Syria more President really coming allowed
actually over their ISIS where fact money Russia talks
respect that's think going they like thing against nation even
women happen from I've time she's has was not Obama
getting big after take are your states said last bad
lot one it's years very our tax for all been pay there
cities just ill the you she were bring right
other just our about will lied but look get who seen
jobs didn't her well can't great about have are country low those did
Mosul after take two tell don't give are make much see
Bernie won't Iraq disaster them room what doing anything should
judgment they're can taxes would could Iran million three world change
words almost percent wants care Obama care killing
come tremendous emails important America

Donald Trump

Hester Holt
(1st Presidential Debate - NBC)

then commission anyone talking look prospered important
judgment race expired quickly states
debates years President right been please you've
each new was but that back questions
like tell going well Americans
calling tonight American Trump let how debate than
because tonight all for your two our first issue
know here question the this secretary America would want why taxes
defend into are and Hillary Clinton next there let's has follow
money answer will minutes were segment just very with start
evening said not get Clinton were response Presidential candidates same tax who more
get Clinton bring what respond university achieving seconds good securing
people united vote October don't outcome united

percent opportunity
President each respect governors police
new people debate hundred both think little
fifty let Russia said right how terrorist
respond more two Governor Pence what please being
questions security for does you have now could quote
seconds very Syria question would that this not topic
world why Trump Tim Kaine and has but they
need those like would the the Vice Presidential welcome one
prevent the minutes after take with your was are ask Clinton many
thousand them turn law committed give will time cops federal Clinton
immigrants tax country let's quickly administration enforcement undocumented

Elaine Quijano
(Vice-Presidential Debate - CBS)

Martha Raddatz
(2nd Presidential Debate - ABC)

President
through more you're online happen
has like two minutes first running
move both from question
Russia one thank you going Assad Syrian
questions out have were the Trump now
can Syria this for will want and that Aleppo just those
very about Secretary your please
time was much Clinton audience
when mate would emails but military which
regime asks facebook moving millions

paying Obama care how Americans
more you've what was last
tape about are minutes out half leader you're
good can her said didn't
respond for have the one allow consent
federal let that S the your and
here Secretary Clinton Trump income this
not our thank time did taxes from just actually tax
Patrice personal our thank Trump question
saying time did taxes from just actually tax
she Ken audience first move
quote discipline follow years
insurance without

Anderson Cooper
(2nd Presidential Debate - CNN)

Note: The minimum frequency of words appearing here for candidates is 5, and for moderators 1. Words highlighted in the "candidate" sections are the topics and people they mentioned or addressed to; and words highlighted in the "moderator" sections are more randomly chosen (I guess I am trying to show the interaction between moderators and candidates).
