

against lines senator ever companies campaign happen
business something president seen important
proud syria more want did russia coming
fight talking united isis where fact
some actually their hillary say now
last respect over out office when thing nation
women big people going they like obama good
same getting clinton from ive she's its very that and the
time lot one years just ill our tax has was know with this why done even
cities other jobs didnt her well great about will dont because what are but look get again anything
cant mosul doesnt tell never take way way dont because what are but look get again anything
two only able than ira won killing judgment room 33000 words percent wants care million obamacare
america almost tremendous emails change
