

support went only companies close apologized talking  
mistake anyone something affordable senator money  
percent even americans tax women how policy  
making should look insurance never  
which put dont one know ive your  
election seen sure make when very donald going  
says million first what all lot people  
everybody others where trump now well for you are this  
russians much had lost can but who  
heard been new see thats get have  
also out get his from  
russia time just about that and the  
muslims care would has our  
act didnt health take let want  
used didnt hope any way their because  
wants here campaign said with its will some  
other talk need court country president  
proud again start supreme them every  
republicans american every right hes  
vote question good point against  
secretary working together families costs  
united war respect  
anything theres done everyone  
part america there back over isis  
great kids into youre those big help  
lets why children classified doesnt  
worked taxes system say many ground tonight  
like try they more else work years than  
not think weve after saying really
